Plagiarism Worksheet

WORKSHEET

Question 1

Paraphrase the following passage:

Early introduction to version control provides students with an important foundation in both personal and collaborative development excellence, offering them a competitive edge in the marketplace and a superior understanding of software development best practice.

Question 2

Wikipedia says “*In the computer science field of artificial intelligence, a genetic algorithm (GA) is a search heuristic that mimics the process of natural selection.*”

Which of the following statements avoid plagiarism?

Statement	Plagiarism	Not Plagiarism	Marginal
Genetic algorithms are search heuristics that copy the process of natural selection.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
According to Wikipedia, a Genetic Algorithm is a search heuristic that mimics the process of natural selection.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Wikipedia says that a Genetic Algorithm is a “search heuristic that mimics the process of natural selection”.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genetic algorithms are search algorithms, based on the philosophy of natural selection, and use population-based random search.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
As a general definition, a Genetic Algorithm is a “search heuristic that mimics the process of natural selection” [1]. [1] Wikipedia, http://en.wikipedia.org/Genetic_Algorithm , accessed 27/3/2014.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A Genetic Algorithm is a search heuristic that mimics the process of natural selection [1]. [1] Wikipedia, http://en.wikipedia.org/Genetic_Algorithm , accessed 27/3/2014.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
