

Dear Human Resources

I am writing this e-mail to apply for the full-time Entry Level Software Engineer position in your company that you posted on monster.com. I am a junior Computer Engineering student in ITU and I will graduate in 2017. I am pursuing a career in software development and I want to join your software team. Despite the fact that I don't have any job experience, I have worked in many school or non-school projects, and I am enthusiastic about improve my team while I improve myself.

I have enclosed my CV and my transcript with this e-mail. Thank you for your time and consideration. I look forward to speak with you about this job opportunity.

Sincerely,

Cem Yusuf Aydoğdu
