Reviewer to-do:

- Write your name & ID.
- Write a summary of survey.
- Write about biggest issues first.
- Be specific.
- Give suggestions.
- Also note positive aspects.

Possible peer-review questions (I)

- What is the topic of the bibliography?
- How many sources of academic quality are there?
- Are the sources relevant?
- Do the summaries include relevant information?
- Is all necessary information there?
 - Electronic resources - access date.
 - Author? Date?
 - Publisher? Publisher city? Conference location?
 - Page numbers when available.
 - Editor when available.
- Is there anything you would do different if you had done this?
- Is the tone formal? Is the language plain?
- Is there a title?
- Is the spelling correct? Are the formatting and punctuation tidy?
- Is it brief/concise?
